d. Logistical Support of TSS operations - (new item)

25X1C4a A meeting was held to apprise TSS personnel of agreements which exist between [redacted] and the Agency in securing technical information and logistical support. It was agreed that the new system affords TSS greater security and enables many of their problems to be handled on a routine basis. [redacted] will be requested to notify [redacted] of the support required at that installation. A request to LO from TSS for assistance in this matter precipitated the meeting and the further action to be taken. 25X1C4a

e. Centralized Type Procurement and Related Matters - (continued item)

An allotment control record procedure prepared by the Comptroller was in the hands of DD/P-Admin. for coordination. To clarify objections raised in SE Division, a meeting was held in this office, with representatives of Acting DD/A, DD/P, Comptroller, and LO, to discuss procedures for centralized procurement, property accountability, financial accounting, and allotment control. It was agreed that LO would take immediate action to supply DD/P operational divisions with accurate cost information on a line item basis as soon as possible.

f. Shipment of Sensitive Materiel - (new item)

A meeting was held with SE, LO, and Security Office representatives in regard to a special shipment of sensitive materiel to an SE area. LO is making every effort to secure the materiel and arrange for the fastest transportation to the point of destination.
